**IMI Global CEO John Saunders is Subject of WallSt.net Interview for Airing on
November 9**

CASTLE ROCK, Colo. – Integrated Management Information, Inc. (IMI Global) (OTCBB: INMG), a leading provider of verification and Internet solutions for the agricultural/livestock industry, today announced that an interview with the Company's CEO John Saunders will be made available on Wallst.net on Friday, November 9, 2007. Investors can listen to the interview after the market opens by going to www.wallst.net and clicking the "Interviews" tab. The interview will display on the first page for a portion of the morning and then be available in the archives section on the lower-middle right of the page.

About IMI Global

Founded in 1995, IMI Global is a leading provider of verification and Internet solutions for the agricultural/livestock industry. Go to www.IMIGlobal.com for additional information. IMI has worked with some of the largest agricultural organizations in the United States, providing web-based applications for verification and identification as well as a range of consulting services tailored to meet each customer's needs. IMI operations include CattleNetwork.com, an online service offering market information and industry news to the cattle industry, and CattleStore.com, an online source for livestock supplies, such as animal identification, medical equipment and veterinarian supplies. Additional IMI web sites include USVerified.com, AgNetwork.com, CattleListing.net, and PetSupplyVerified.com.
